REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The closest prior art of record, McLaughlin (3,852,417), does not teach or suggest the claimed compositions. Specifically, the prior art of record does not teach the citronellol component. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
